Invitation Information

We would like to invite current Grade 9 students and their parents/guardians to Joane Cardinal-Schubert High School Open House. This will be a fantastic opportunity to:

- meet the JCS teachers and administrators,
- hear about the school from those who experience it first-hand,
- discover the complementary courses that are offered,
- find out about extra-curricular activities such as school teams and clubs, and
- learn the essential steps in preparing for a great transition to Grade 10.

We look forward to seeing you!
